

October 3, 2018

Dear Friends:

Yes, it's October, when everything happens: Ballots are mailed; voters start paying attention and all the direct mail and commercials start showing up on your television and in your mailbox. Quite simply, October is the month when elections are won and lost.

I have a great team—a campaign manager, political consultant, treasurer, interns (three of them), a fund raiser, plus a strong group of volunteers who are knocking on doors, writing letters to editors, and placing signs everywhere. Thank you! Your dedication humbles me.

What do we still need? We need to get the most votes to win! And how do we make that happen? We need a last push of donations to get the word out.

How will we spend the donations? At this point, we have purchased more than 650 yard signs, 50 large signs, digital advertising, more

than 5,000 flyers, video production, and large ads for this month in at least three newspapers.

least three one mailer, two \$15,000 to make

What else do we need? We want to have enough funds to have at least more videos, more flyers, and TV and radio spots. We will need about all this happen in the next four weeks.

How do I give to the campaign? Visit randymichaelis.org and find the “donate” link or send a check to Friends of Randy Michaelis, PO Box 1024, Mead, WA 99021. If you have questions, please give me a call 509-991-6196.

What am I doing this month? Glad you asked. Lots! I will continue to use each evening and weekend to knock on doors and introduce myself to voters. I have already met hundreds of voters and am pleased with the reception I have received.

I will also be traveling to lots of candidate forums this month.

(Most of these start at 6:00 PM—contact me for details)

- Tuesday, Oct. 2 Candidate Forum in Republic
